Dear Friend:

As a member of the American Oriental Society and a student of Oriental subjects you naturally are interested in political, literary and religious questions relating to Mohammedans and we believe that you will find the MOSLEM WORLD of great value in this study. The editor, Dr. Samuel M. Zwemer, of Cairo, has devoted over thirty years to an intensive and extensive study of these questions, has lived for twenty years in Arabia and has travelled all over the Mohammedan world. His intimate knowledge of the whole subject and the contributions from other authorities in various Moslem lands, make this magazine of unique interest and value. Dr. Zwemer is a member of the American Oriental Society.

As you will see from the enclosed circular the leading articles deal with political, historical, social and religious topics in a scientific way, while the "Current Topics" give up-to-date information on affairs in all lands where Moslems are found. The "Book Reviews" and "Survey of Periodicals" will keep you in touch with all the latest literature on the subject both permanent and passing. All departments give the views of experts.

On request, we will be glad to send a sample copy of the Quarterly. We are confident that you will find it of such value that you will wish us to enroll you among our regular subscribers. The subscription price until September 1st is only \$1.25 a year (postpaid) and money may be sent by post office order or by British check for 5 shillings. Beginning with the 1923 volume the price will be \$2.00 or (8 shillings) a year.

May we have the pleasure of hearing from you promptly.

Very truly yours,
